

# SANNE JOHANSSON

## WEB DEVELOPER

### ABOUT ME

**Age:** 30

**Based in:** Sweden

**Language:** Swedish, English

I'm a certified Front-End Developer currently studying Full-Stack Software Development. I'm educated to write clean, responsive code and to use frameworks and libraries as Bootstrap, jQuery, React and Tailwind.

At nineteen I graduated in Aesthetics-Media which included studies in digital creativity, photography, film and media production and aesthetic communication.

My passion lays in making a visually appealing and user friendly user experience, and to create this down to the smallest of details.
